Useful Information

Absence and attendance

Harrow College expects all students to attend 100% of classes. This is the only way we can support students to make progress and succeed in exams. A minimum of 85% attendance is required to obtain a Harrow College course completion certificate.

Non-attendance will affect visa extension applications. Students are required to inform the College if they are unable to attend.

Teachers

All teachers are qualified to teach English to adults.

Harrow College also offers teacher training courses, for which students are needed. EFL students can attend these extra classes free of charge.

Facilities and Enrichment

Harrow College has a well equipped Learning Centre which offers supplementary resources for self-study and exam preparation as well as free email and internet access. A varied programme of enrichment activities is open to all students. College events and trips allow students to meet and socialise with students from other classes.

Quality Standards

The EFL Centre at Harrow College is accredited by the British Council and is a member of English UK. This is achieved by meeting rigorous standards at inspections carried out at regular intervals.

Accommodation

London has a wide range of accommodation options for students including homestay with a British family, renting a private room or studio, staying in a hostel or living in student accommodation near to Harrow College.

While Harrow College does not offer student accommodation, our International Admissions Coordinator will be happy to help and discuss your options further.

Course Offer Conditions

Harrow College normally runs courses that are offered. However, courses that do not recruit to a satisfactory level may be withdrawn or closed. Students will be offered a suitable alternative or receive a refund for all or part of their fees.

If you wish to cancel your application we must receive a letter from you at least three days before the course is due to start. You will receive a refund of the tuition fee, but not the College registration fee or any examination fees. If you enrol within three days prior to the start of the course, no refund will be due. We do not provide refunds for any other reasons.
